Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Saturday 31 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny spells and showers to end the weekend.

This Evening and Tonight:
Showers gradually easing through the evening. Cloud will thicken across the region overnight to bring some patchy light rain. Feeling cool for all with winds remaining light. Minimum temperature 14 deg C (57 deg F).

Sunday:
Cloud and rain will gradually clear through the morning to leave a largely dry afternoon with sunny spells across the region. However, the odd shower may develop too. Maximum temperature 20 deg C (68 deg F).

Outlook for Monday to Wednesday:
Sunny spells and a few showers on Monday. Showers become more frequent on Tuesday and Wednesday, with a risk of thundery downpours on Wednesday.
